

An alternative - 'The Reception Pitch...'

Child Perspectives

Gives less academic students chance to shine in a practical 'real world' way. (meaningful academia).

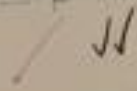

What it's About

Enterprise is not just making and selling to make money. It can be social/ knowledge/career gains as well.

Government

How much Ofsted and DfE have a focus on enterprise.

Teaching Perspective

How easy it is to come up with an idea that you are passionate about when you start with your interests, abilities and experiences etc.

Methods of teaching

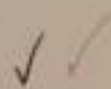

Using the reception pitch lowers the stakes of sharing ideas.

Being entrepreneurial is achievable for anyone.

Enterprise education isn't just about making profit in a business situation.

We were unaware of actually how many business opportunities there are with in Education.

There are huge opportunities for cross curricular projects within classrooms.

You don't have to stand up to give a presentation - there are different methods.

We were unaware of the benefits to enterprise in schools for children.

It's not just about the 'rich man' it's about all the different skills behind it.

That Enterprise Education can start at the EYFS level.

Enterprise is easier than we thought to put into practise.
